

5 Ways to Make Schools Safer for LGBTQ Students

1

Be an activist! Speak out when someone says something discriminatory towards the LGBTQ community.

2

Start a GSA/QSA:
Having a safe space for queer students at school can save LIVES.

3

Educate Your Teachers:

A teacher who simply knows about being LGBTQ can make a world of difference for students who are gender and sexual minorities. Schedule a conference with your teacher or speak at faculty meeting days about LGBTQ issues.

4

Host an LGBTQ Panel

Panels allow students and staff to directly ask important questions to people who can educate them.

5

Introduce a Trans-Inclusive Policy:

Trans-friendly policies set fair guidelines for school staff members who may not know what to do otherwise. Learn more at transstudent.org/policy
