Treaty 1 Land Recognition

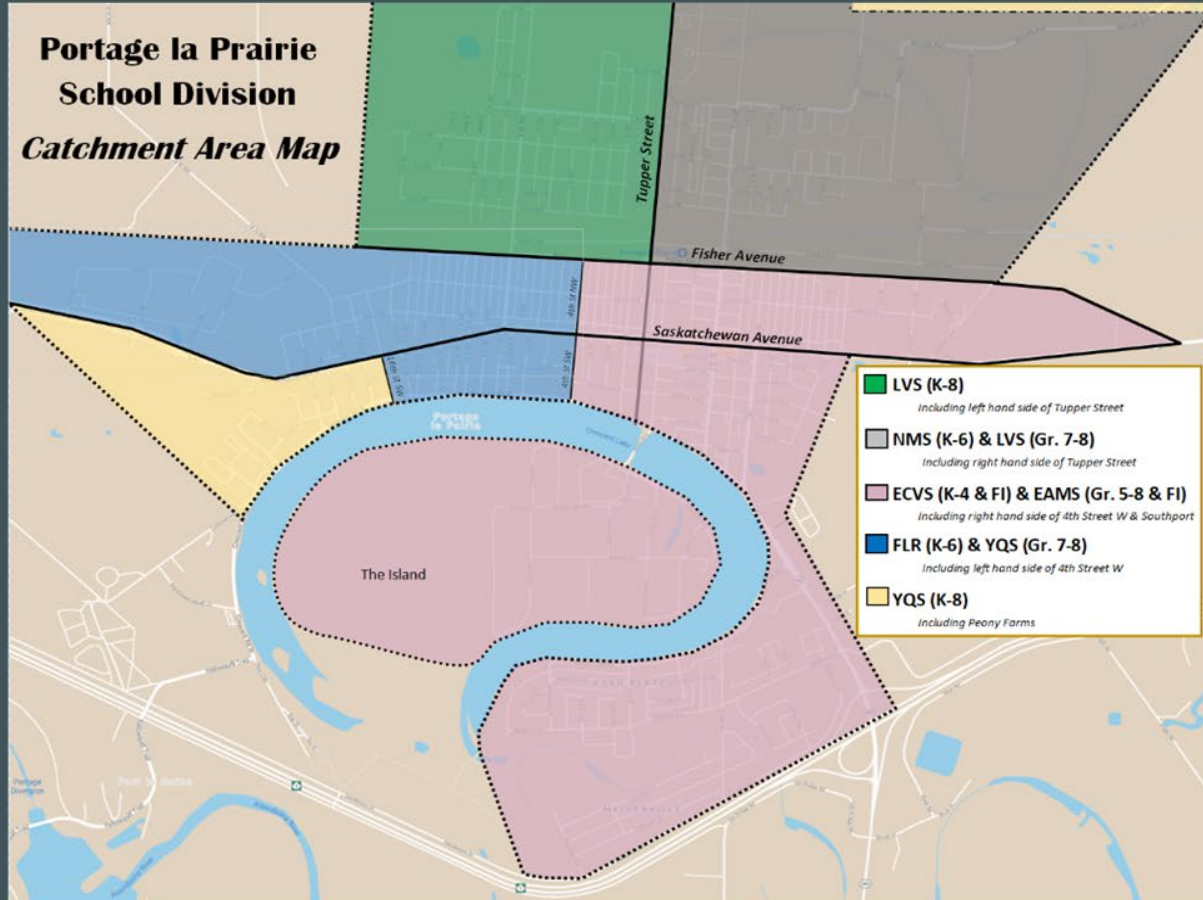

TREATY ONE

The Portage la Prairie School Division acknowledges that the schools in our division are located on Treaty One land, as well as the traditional territory of the Ojibway, Dakota, Cree and Anishinaabe peoples and the homeland of the Metis nation.

We respect the spirit and intent of Treaties and Treaty Making and remain committed to working in partnership with First Nations, Inuit, and Metis people in the spirit of truth, reconciliation, and collaboration.

Current Catchment Areas

Rationale for Catchment Area Revisions

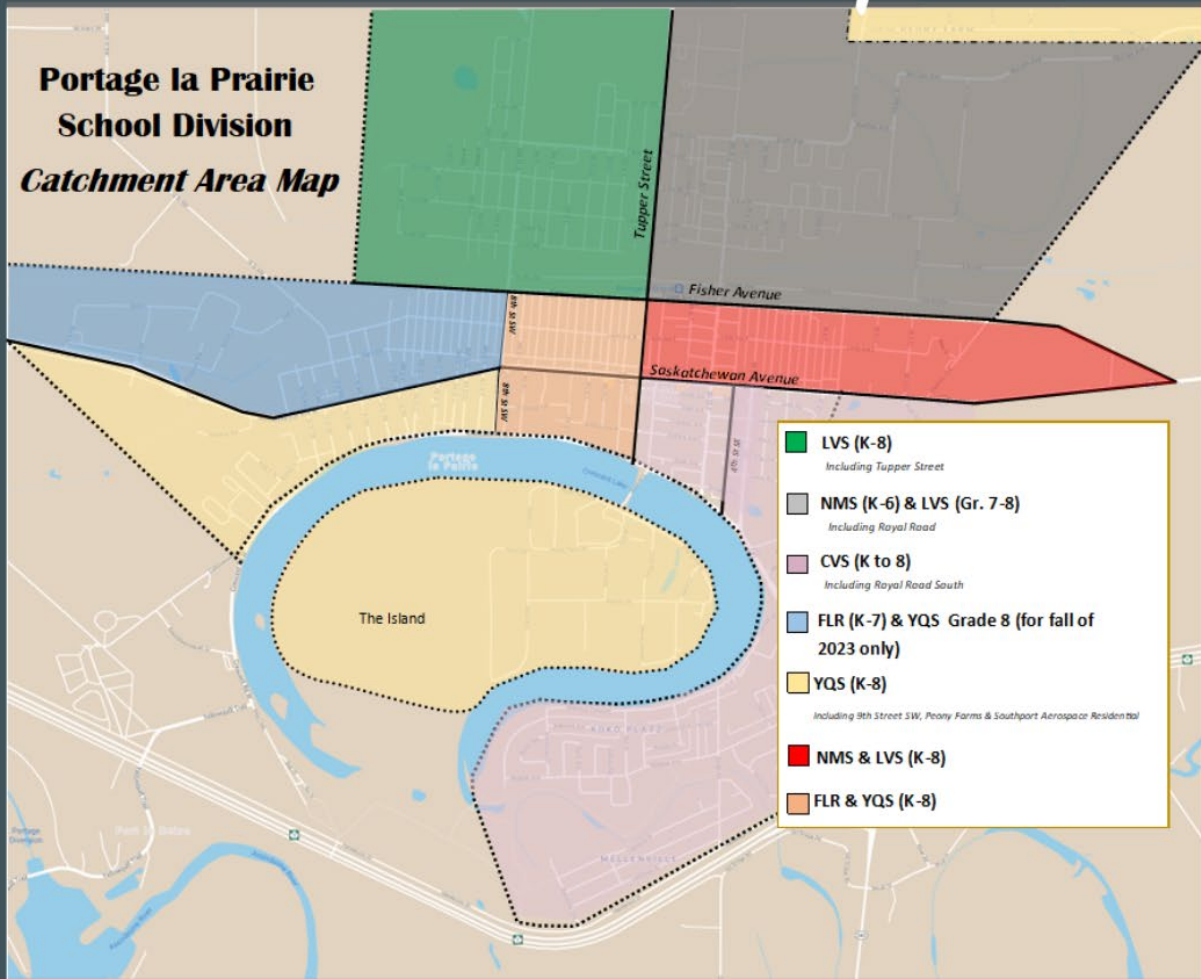

- Currently the Crescentview School catchment area is the largest catchment area in the division.
- The catchment area for ÉCVS/ÉAMS was larger as a result of changes that took place in 2007 when Victoria School and Prince Charles School were closed.
- For the 2023-2024 school year Crescentview School will exceed its student capacity.
- We have applied for modular classrooms for École Crescentview School and École Arthur Meighen and have been told that we must fully utilize all available classroom space in all schools across the division before modular classrooms are considered.
