

QUORUM

A majority of the current elected Trustees shall constitute a quorum. The vote of the majority of such a quorum is valid and binds the School Division. The number required for a quorum does not change if there is a vacancy. When at any meeting of the Board there is no quorum present at the expiration of one-half (1/2) hour from the time appointed for the commencement of the meeting, the meeting shall stand adjourned, and the Secretary-Treasurer shall enter in the minutes the names of those members present.
